Availability

We will make every effort to accommodate your first choice of date and time. We are open for private events during the week and at times outside our normal tasting room hours. However, we are mindful that we want our guests to safely drive the mountain roads, so time limits may be set to provide that safety net. We are also mindful that we have neighbors nearby which also sets limits on noise levels (i.e. music).

Children and Pets Policy

We welcome well-behaved children who are supervised by an adult.

We welcome well-behaved dogs who are on a leash and supervised by an adult in the Vineyard Amphitheater or on the Grand Deck. Dogs are not allowed inside the tasting room.
